

# Muhammed Afnan

**Nationality:** Indian **Date of birth:** 15/06/2003 **Gender:** Male **Phone:** (+91) 7025729311

**Email:** [iamafnan2003@gmail.com](mailto:iamafnan2003@gmail.com)

**Whatsapp Messenger:** 7025729311

**Home:** Kavalanchery house, Kodikuthimala B11, Aluva, Ernakulam, 683101 KOCHI (India)

## EDUCATION AND TRAINING

### BACHELORS IN ELECTRONICS AND COMMUNICATION ENGINEERING

*MUTHOOT INSTITUTE OF SCIENCE AND TECHNOLOGY* [ 23/11/2021 - Current ]

**City:** KOCHI | **Country:** India | **Website:** <https://mgmits.ac.in/> | **Field(s) of study:** Engineering, manufacturing and construction: • Electronics and automation | **Final grade:** 8.08 | **Thesis:** Velora: Tongue-motion wheelchair control using magnetic field sensors.

**Link:** <https://drive.google.com/drive/folders/1jg1PsFumm1TnBo7jUoFugjHqIsIMV9ZM?usp=sharing>

#### Objective:

To develop an assistive system for patients with tetraplegia and enhance their mobility.

### HIGHER SECONDARY EDUCATION

*christava mahilalayam public school* [ 03/06/2019 - 15/03/2021 ]

**City:** KOCHI | **Country:** India | **Website:** <https://www.mahilalayamschool.edu.in/publicschool/>

## SKILLS

Microsoft Word / Microsoft Excel / Microsoft Powerpoint / Sketchup 3D sketching software / IOT (Tiny OS, Thingspeak) / IoT sensors / Google Drive / Python Language - Basic knowledge / ESP8266 IoT / understand spoken English / Microcontrollers (Arduino and ESP32)

## PROJECTS

[ 03/02/2023 - 25/05/2023 ]

### VISTOSA

A portable device that generates various acrylic paint colors using primary colors (red, green, blue). Integrated peristaltic pumps controlled by microcontrollers to dispense precise amounts of paint.

[ 15/07/2022 - 17/10/2022 ]

### THE LOOP

Developed a prototype model for an EV charging system powered by electromagnetic induction from speed breakers. Combined hardware-based energy generation with a software platform for monitoring electricity generated.

[ 06/03/2022 - 18/06/2022 ]

### SSAS

SSAS-Simple Security Alarm System

Build a low-cost home security system that alerts users of potential intrusions.

Utilized PIR motion sensors and 8051 programming to monitor unauthorized movements and send alerts to the user.

### RAKSHAQ

RAKSHAQ-A Hazard Detection System

Detect accidents and notify the nearest safety department for rapid response.

Integrated GPS, GSM, accelerometers, flame sensors, and other components to assess accident scenarios and send real-time alerts.

## HONOURS AND AWARDS

---

[ 09/03/2024 ] Christ College of Engineering, Irinjalakuda

### FIRST RUNNER-UP -IDEA PITCHING COMPETITION

It was the flagship event 'Rackn & Crack' of the Civil engineering department of Christ College of Engineering. Our proposed plan was about creating 3d models of coral reefs and planting on water bodies to collect microplastics.

[ 03/12/2022 ] SAINTGITS COLLEGE OF ENGINEERING

### FIRST IN IDEATHON

**Link:** [https://www.linkedin.com/posts/muhammed-afnan-02b008239\\_ideathon-innovation-problem-activity-7038893032498229248--D5b?utm\\_source=share&utm\\_medium=member\\_desktop](https://www.linkedin.com/posts/muhammed-afnan-02b008239_ideathon-innovation-problem-activity-7038893032498229248--D5b?utm_source=share&utm_medium=member_desktop)

## CERTIFICATIONS

---

[ 17/10/2023 - 24/02/2024 ]

### APPLIED INDUSTRIAL IOT

SUCCESSFULLY COMPLETED THE 6 MONTHS ONLINE COURSE PROVIDED BY L&T EDUTECH ON THE COURSE APPLIED INDUSTRIAL IOT

[ 03/01/2023 - 21/02/2023 ]

### PYTHON FOR DATASCIENCE

AN ONLINE COURSE OFFERED BY IIT MADRAS.

## MANAGEMENT AND LEADERSHIP SKILLS

---

### INNOVATIVE CHAIR OF YUVA MITS

served as the wing chair and active member in the non technical club-Young Indians (YI) YUVA club of MITS in the year 2023-2024.

### COMMUNITY SERVICE CHAIR OF ROTARACT CLUB MITS

Served as the community service chair in the term 2023-24 and has lead multiple community service programs like relief fund collection,voting awareness campaign,old age home donation,collection drive for orphanage field trips etc.

### FOUNDER OF SPACE CLUB SIA-MITS

One among the four founding members of the space club SIA (Space Innovators Association)in our college .conducted multiple online and offline events like stargazing,space quiz,talk session etc.
